

Shine bright
with HYDRA

THE EXPERTS' FAVORITE GROOMING BRAND!

EXPERIENCE FLAWLESS RESULTS EVERY TIME.

The award-winning brand HYDRA Professional is the leader when it comes to innovation, high performance, and excellent results. Our wide range of professional products for dogs and cats are made with salon grade ingredients and balanced formulas designed to meet the needs of groomers and handlers worldwide.

PRE BATH

HYDRA offers a thoughtfully crafted range of pre-bath products that aim to enhance the bathing experience. Properly preparing pets before the bath maximizes cleansing results.

Carefully prepared skin and coat result in a quicker and deeper cleansing. The groomer not only saves time, but also provides a superior finished result.

SEE HOW
TO USE

Ultra Dematting and Finishing Spray

Size: 500 mL / 16.9 fl. oz. and 5000 mL / 169 fl. oz.

MAIN FUNCTION

Facilitates detangling, matt removal and brushing, it can be used before or after the bath, reducing the frizz and promoting a soft and sleek coat finish.

BENEFITS

- Oil-free formula that maintains the coats texture and lightness.
- Light-weight conditioning that reduces and prevents the formation of additional tangles.
- Anti-static properties that reduce frizz and enhance coat appearance.

WHO CAN USE IT?

It's suitable for pets with long and dense fur.

Not intended for tear-stain removal, regular use may assist in promoting a cleaner appearance of affected areas

Eye & Face Cleaner

Size: 500 mL / 16.9 fl. oz. and 5000 mL / 169 fl. oz.

MAIN FUNCTION

Efficiently cleanses and sanitizes the delicate areas around the eyes and muzzle, while aiding in the removal of secretions, scabs, and unpleasant odors.

WHO CAN USE IT?

Suitable for dogs and cats of all breeds.

BENEFITS

- Perfect to use on brachycephalic breeds ensuring special attention to their special needs when cleaning the face.
- **The rinse-free formula is a safe and stress-free experience.**
- Fast-drying formula.

Ear Cleaner

Size: 500 mL / 16.9 fl. oz.

MAIN FUNCTION

Expertly designed to cleanse and remove excessive ear secretions, the Ear Cleaner neutralizes undesirable odors without leaving a greasy finish.

KEY INGREDIENTS

- Panthenol: offer a moisturizing action.
- Essential Oils of Mint and Chamomile: provide a refreshing and calming effect.

BENEFITS

Non-greasy and fast-drying formula.

WHO CAN USE IT?

Suitable for dogs and cats of all breeds.

Dental Paste

Size: 140g / 5 fl. oz.

MAIN FUNCTION

Promotes dental hygiene for dogs and cats of all breeds.

KEY INGREDIENTS

Calcium carbonate and Sodium bicarbonate: greater cleaning power.

BENEFITS

- Gradual teeth whitening.
- Provides a pleasant breath and a healthier mouth.
- Fluoride-free.

PRE-WASH SHAMPOOS

HYDRA pre-wash shampoos are designed to be the first step of the bath. Achieve remarkable, long-lasting results by initiating your bathing routine with our extraordinary selection of pre-wash shampoos for different needs.

HYDRA GROOMERS

SEE HOW
TO USE

X-Treme Shampoo

Size: 1000 mL / 33.8 fl. oz.
and 5000 mL / 169 fl. oz.

MAIN FUNCTION

Pre-wash clarifying shampoo, for cases of extreme dirt and odor in pets, it deeply cleanses the coat. Additionally, it can assist in boosting volume and texture for fluffy haired dogs and cats, preparing the coat for styling procedures.

KEY INGREDIENT

- *Mentha piperita* Extract: skin soothing agent.

WHO CAN USE IT?

For dogs and cats older than 3 months.

The HYDRA X-Treme Shampoo is a more alkaline product compared to our other products in the line. It helps to open the hair cuticles and remove any residue from other products, oiliness or pollution. Due to its deep cleansing properties, it is recommended to allow 15 days in between use on pets.

SEE HOW
TO USE

Odor Neutralizing Shampoo

Size: 1000 mL / 33.8 fl. oz. and 5000 mL / 169 fl. oz.

MAIN FUNCTION

Partially opens the cuticles making it easier to remove excessive dirt and undesirable odors from the coat.

KEY INGREDIENTS

- Odor Neutralizing Active: removes undesirable odors, offering longer lasting bathing results.
- Oatmeal Extract: moisturizes and soothes the skin and coat.

WHO CAN USE IT?

For dogs and cats older than 4 weeks.

HYDRA ESSENTIAL SHAMPOOS

HYDRA essential shampoos are designed to elevate the bath to another level, each one of them attends to different needs, offering high performance products with concentrated formulas (10:1) for safe cleansing and a cost-effective bathing.

HYDRA GROOMERS

SEE HOW
TO USE

Moisturizing Shampoo

Size: 1000 mL / 33.8 fl. oz. and 5000 mL / 169 fl. oz.

MAIN FUNCTION

Meet the unique needs of every coat type, providing cleansing for dogs and cats of all breeds.

KEY INGREDIENT

- Oatmeal Extract: moisturizes and soothes the skin and coat.

BENEFITS

Fast-drying and easy to rinse.

SEE HOW
TO USE

Whitening Shampoo

Size: 1000 mL / 33.8 fl. oz. and 5000 mL / 169 fl. oz.

MAIN FUNCTION

Brightens and protects the coat, preventing yellowing.

BENEFITS

It can be used in all the coat colors to highlight the natural color, promoting a shinier coat.

KEY INGREDIENTS

- Optical Brighteners: prevents the yellowing of the coat.
- Oatmeal Extract: moisturizes and soothes the skin and coat.

Does not
contain bleaching
agents or harsh
chemicals

SEALING THE HAIR CUTICLE

Unlock the full potential of pet grooming by prioritizing the use of conditioner after shampooing. This crucial step enhances moisture retention, boosts shine, and promotes overall coat health.

HYDRA GROOMERS

Flash Thermo Active Deep Conditioner

Size: 900g / 30.4 fl. oz.

MAIN FUNCTION

Restores moisture, repairs damage, and enhances the overall health and vitality of the coat. Whether you're dealing with dryness, frizz, this mask is your solution in 90 seconds for a stunning result.

KEY INGREDIENT

- Argan Oil: rich in omega 6 and 9 and vitamin E, which moisturizes and restructures the coat, improving its elasticity.
- Collagen and Sesame Oil: Collagen nourishes and fortifies the pet's skin, fostering a resilient coat, while sesame oil, rich in omega-3 fatty acids, moisturizes and adds a brilliant shine. Together, they create a dynamic duo, promoting overall coat health and a glossy, vibrant appearance.

BENEFITS

Thermo-protective action preventing heat damage caused by dryer and flat iron.

Moisturizing Conditioner

Size: 1000 mL / 33.8 fl. oz. and 5000 mL / 169 fl. oz.

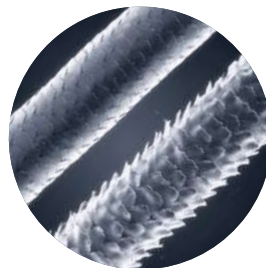

MAIN FUNCTION

Seal the hair cuticles, moisturizing, and conditioning the coat.

BENEFITS

Facilitates brushing and aids in detangling and knot removal. It also ensures a soft, shiny coat with a healthier appearance.

Open cuticles are prone to hair strand breakage and results lifeless coat.

KEY INGREDIENTS

- Oatmeal Extract: moisturizes and soothes the skin and coat for an ultra-soft finish.
- Grape Seed Oil: helps to enhance shine and softness.

TIP

Finish up with the Forever Glow Cologne to keep the fragrance of the Odor Neutralizing, Whitening or Moisturizing Shampoo and Conditioner on the coat.

EXTRA SOFT BATH

Perfect to provide a gentle bath for puppies and pets with sensitive skin. Carefully formulated to be mild yet effective, it cleanses without stripping away essential oils or harming the skin.

Extra Soft Facial Shampoo

Size: 1000 mL / 33.8 fl. oz.
and 5000 mL / 169 fl. oz..

MAIN FUNCTION

Gentle cleanse, designed to use on dogs and cats with sensitive skin or around the facial region.

KEY INGREDIENT

- Chamomile Extract: promotes softness and hydration.

BENEFITS

Sulfate-free and dye-free formula.

- Moringa Oil: promotes smoothness, shine, and improves brushing.

TIP

Finish up with the Forever Liss Cologne to keep the fragrance of the Silky Smooth Shampoo and Intense Repair Silky Smooth Mask on the coat.

SEE HOW
TO USE

CAUTERIZATION

Cauterization is a treatment that restores the protein in the hair, known as keratin. This process rebuilds the hair’s structure, revitalizing its fibers and elasticity, and it promotes the recovery of damaged hair. Additionally, it effectively seals the strands, closing the cuticles, which helps maintain moisture, alignment, and a healthier coat for an extended duration. The treatment also provides a noticeable shine to the hair.

Soft Touch

Size: 500 mL / 16.9 fl. oz.

MAIN FUNCTION

Cauterizing of the individual strand, providing hydration and softness to the coat.

SEE HOW
TO USE

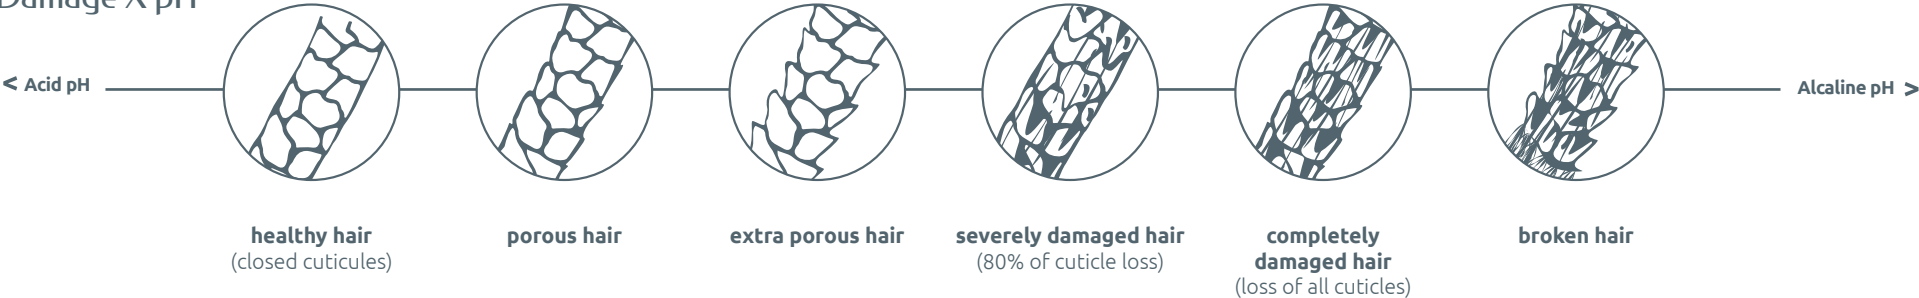

KEY INGREDIENTS

- Keratin: helps to recover the damaged hair.
- Panthenol: offers a moisturizing action repairing the strands of the coat.
- Lactic Acid: hydrates and helps to reseal any open cuticle.

DIRECTIONS

Bathe the pet normally following the HYDRA steps and wipe off excess of water with a towel and begin drying. While the coat is still slightly damp, evenly apply the HYDRA Soft Touch across the entire coat and finish drying with the dryer.

Scale Of Hair Damage X pH

COLOGNES

HYDRA offers 9 signature fragrances with a variety of scents for the final touch.

Forever Cologne

Size: 450 mL / 15 fl. oz.
and 130 mL / 4.4 fl. oz.

BENEFITS

- High fragrance concentration.
- Long-lasting fragrance.

WHO CAN USE IT?

Suitable for dogs and cats of all breeds.

DIRECTIONS

After drying the coat, apply the cologne protecting the pet's eye area.

BABY

- Cotton Extract: enhances moisturizing and emollience, creating intensified shine and softness to the coat.

HOW TO USE PET SPA SENSES PRODUCTS:

Dilute 1 part of Senses Shampoo in 4 parts of water.

Wet the coat and spread the product massaging well until it forms a uniform foam and rinse. If the pet is very dirty, pre-wash with HYDRA Groomers Odor Neutralizing Shampoo.

Pour 20 grams (0.7 oz.) of Senses Conditioner into a mixing bowl with 20 drops of the Senses Booster (Most suitable for a small dog, medium coat. Adjust amount based on size of dog but continue with ratio of 1 drop of booster per gram of conditioner).

Mix well until completely homogenized and apply throughout the coat, massaging well in the direction of hair growth. Leave on for 3 minutes and then rinse thoroughly.

Finish up with the Forever Senses Cologne.

★★★★★
**THE CHOICE
OF CHAMPIONS**

Coat Oil

Size: 1000 mL / 33.8 fl. oz.

MAIN FUNCTION

Designed for coat care in between competitions. The protective and ultra conditioning formula creates an oily layer, drastically reducing tangles and promoting healthy coat growth.

BENEFITS

Oil with a light texture that is easy to remove.

DIRECTIONS

Apply **HYDRA Expert Coat Oil** to the dry or wet coat, in the desired amount, according to the texture or need of each coat. Do not rinse. The product can be left on the coat for up to a week, depending on the breed. If necessary, curlpapers can be used at specific points.

Volumizing Mousse

Size: 150 mL / 5.07 fl. oz. and 1000 mL / 33.8 fl. oz. (refill)

MAIN FUNCTION

Designed to improve coat texture, adding volume without compromising brushing. Indicated to support sculpting the head, topknot, face, and paws.

BENEFITS

It works amazingly keeping the hair up.

DIRECTIONS

To maximize volume, apply the **HYDRA Expert Volumizing Mousse** on wet or dry coat in all desired areas you wish to achieve additional coat volume. Do not rinse after applying product. Brush and dry coat thoroughly.

Glossy Repair

Size: 120 mL / 4.06 fl. oz.

MAIN FUNCTION

Forms a protective film over hair layers to prevent split ends.

KEY INGREDIENTS

Blend of silicone derivatives and Argan Oil: light texture that reduces frizz, providing silkiness and shine.

WHO CAN USE IT?

Indicated for dogs of all coat types and short-haired cat, older than 8 weeks, as a finishing oil, guaranteeing shine.

Oil Redux

Size: 250 g/ 8.8 oz.

MAIN FUNCTION

Removes excessive oil from localized areas of the coat.

BENEFITS

Natural ingredients that protect and nourish.

DIRECTIONS

Shake the bottle and apply **HYDRA Expert Oil Redux** in the desired area when the coat is dry. Massage well, let it act for 2 minutes and then proceed with the bath.

Grooming Powder

Size: 100 g / 3.5 oz.

MAIN FUNCTION

Powder for removing dead hair, providing high adherence, making work easier.

BENEFITS

Dry touch effect that minimizes oil in the coat. This product also works as a make up for white coated dogs and cats with bald spots

DIRECTIONS

Apply the **HYDRA Expert Grooming Powder** to the coat and proceed to the hand-stripping or plucking procedure.

ABOUT PET SOCIETY

Pet Society is a Brazilian company founded in 2004 in São Paulo, one of the most recognized manufacturers of pet care products worldwide, with an extensive knowledge in raw material sourcing and cosmetic formulations. Pet Society develops safe, exclusive, and high-quality products to satisfy the needs of the pet market.

It is considered the most modern Latin American factory of health and hygiene products following the international standards of good manufacturing practice and environmental control. Pet Society exports products made in Brazil to more than 64 countries and it has a branch office in Florida (USA). The philosophy of the company is to develop and produce highperformance products, bringing innovation and technology to pet care around the world.
